New UK GAAP replaces the previous, long-standing UK accounting standards and comprises a multiplicity of separate accounting frameworks, all of which are part of New UK GAAP. Much of their effect will be comfortable and familiar, but there is also much change.

Cutting through UK GAAP - KPMG United Kingdom

The accounting concept of going concern is based on the assumption that a business will continue to operate into the foreseeable future. For UK entities, this is a minimum of 12 months from the date that the financial statements are authorised for issue. Accounting standards set a high threshold for departing from the going concern basis.
