Big Book of Dashboards
In The Big Book of Dashboards we showcase hundreds of good examples of charts and dashboards, but we also show plenty of bad examples. For example: We guarantee you will see this kind of work out in the wild, and you may even be asked to emulate it. We mark these "bad" examples with the screaming cat icon so that you don't have to read the surrounding text to determine if the chart is something you should emulate or something you should avoid.
