'content' – its self-conceived differences, flattering to the national pride, from other nations. This by itself is not unusual.

Preface - The Making of English National Identity

On the contrary, they are usually only too jarringly aware of what is peculiarly English, and are highly sensitive to the lordly English habit of subsuming British under English. For them it is a constant reminder of what they perceive to be – rightly, of course, – England's hegemony over the rest of the British Isles. One has to say

immediately though that the problem is not one solely of or for the English.

English or British? The question of English national ...

The Benefits of Making English Our Official National Language. Our country seems to be more divided than ever. Political discourse has become less civil as differences on important public policy issues have become more pronounced. In a diverse plural democracy with different opinions, values, interests, and policy prescriptions – it is increasingly important to find common ground

in order to promote the common good.

The Benefits of Making English Our Official National ...

A national identity of the English as the people or ethnic group native to England developed in the Middle Ages arguably beginning with the unification of the Kingdom of England in the 10th century, but explicitly in the 11th century after the Norman Conquest, when Englishry came to be the status of the subject indigenous population. From the eighteenth century the terms 'English' and 'British' began to be

University of Hull

A nation is a stable community of people formed on the basis of a common language, territory, history, ethnicity, or psychological make-up manifested in a common culture. A nation is more overtly political than an ethnic group; it has been described as "a fully mobilized or institutionalized ethnic group". Some nations are ethnic groups (see ethnic nationalism) and some are not (see civic ...
